Payments

Payment processor

The Company uses a third party payment processor to process orders made through this website. The processing of payments is additionally subject to the usage terms and policies of the third party payment processor. At present, our primary payment processor is Stripe. Security

While Stripe and our website hosting providers employ secure technology software for transactions with our customers, we will not be responsible for any damages, including consequential losses (whether direct or indirect), that may be suffered by a customer whose credit card is used in a fraudulent or unauthorised manner by any person other than the Company. The Company may request further information from you, such as a copy of your credit card and/or other identification documentation, as part of our internal validation

General

Interpretation

No waiver

Waiver of any power or right under these Usage Terms must be in writing signed by the party entitled to the benefit of that power or right and is effective only to the extent set out in that written waiver. Any failure by the Company to act with respect to a breach by you or others does not waive the Company's right to act with respect to that breach or any subsequent or similar breaches.

Severability

The provisions of these Usage Terms are severable and, if any provision of these Usage Terms is held to be illegal, invalid or unenforceable under present or future law, such provision may be removed and the remaining provisions shall be enforced.

Variation
